PEAS

PROTEAN EMAIL & ATTACHMENT SYSTEM

Your business already has the information.

PEAS helps you put it to work.

Smarter email. Less busywork. Better visibility.

FOUR WAYS PEAS WORKS FOR YOUR BUSINESS

01

AUTOMATION

Capture and organize email text and attachments automatically. Reduce manual filing and forwarding.

02

ACCESSIBILITY

Keep business documents available to authorized teams and leaders, even when employees leave.

03

INTELLIGENCE

Planned: track quotes, orders and resumes; discover customer trends and opportunities.

04

AFFORDABILITY

Build on familiar Google and Microsoft tools without the cost of a major enterprise rollout.

AUTOMATE THE WORK. ACCESS THE KNOWLEDGE.

UNLOCK THE INTELLIGENCE. AFFORD THE ADVANTAGE.

Automated capture is the current foundation; intelligence features are planned.
